

## Warranty Certificate

These warranty terms cover the products and components manufactured by Gritbird (Supplier) as specified below.

The warranty starts on the day the product is delivered from Gritbird. The warranty is valid only on the condition that the goods have been stored in the appropriate state, and that the foundation, installation and maintenance work have been carried out and documented according to Gritbird's instructions. A logbook of the handover inspection and documents for maintenance work carried out have to be presented by request.

The warranty does not cover natural wear, misuse, minor cosmetic faults or possible installation errors. Any modifications or repairs made to the product by another party than Gritbird are not covered. For the installations within 1km from the seashore the warranty is limited for corrosion of the steel parts. According to the warranty, the Supplier may choose to repair the defect or to supply a new product at his option. The Supplier shall not be liable for any damage caused by transportation, unloading or unpacking or installing the product.
